Since the Regional Engagement division was created in 2019, five of the division's project management positions were previously funded by Workforce Innovation and Opportunity Act (WIOA) federal dollars through the Department of Higher Education and Workforce Development (DHEWD). Access to these federal dollars is no longer available, resulting in 5 unfunded FTE for FY2026. These positions were also unfunded for FY2025. Funding these positions will allow Regional Engagement to fund five FTE in FY2026 that previously relied on federal funding. These five staff members will assist Missouri businesses and communities for growth opportunities in the following DED regions: Kansas City, St. Louis, Central, North, and Southwest.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

Missouri Partnership Business Recruitment & Marketing – Section 7.005

Book 1, Page 27

Description: In 2007, the Missouri Partnership was formed with the intention of bringing new business and industry into the state. As a nonprofit economic development organization, the Partnership works together with other economic development organizations at the state, regional, and local levels to attract new companies and help advance Missouri's standing as an industrial leader. The Department contracts with the Hawthorn Foundation, organized as a 501 (c) (6) nonprofit business organization, to provide produce new business recruitment leads.

The Missouri Partnership subcontracts with the Hawthorn Foundation to conduct the work. The Partnership's main source of funding is the Economic Development Advancement Fund, which receives collections from a 2.5% surcharge on the issuance of DED tax credits.

Delta Regional Authority Dues – Section 7.010

Book 1, Page 32

For the payment of annual dues the State of Missouri pays to the Delta Regional Authority (DRA). The DRA was established in 2000 by Congress with the purpose of making strategic investments of federal appropriations into the physical and human infrastructure of Delta communities. Through the States’ Economic Development Assistance Program, these investments help to improve transportation and basic public infrastructure and to strengthen our workforce development system and local business environments.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

DEPARTMENT OF ECONOMIC DEVELOPMENT

Economic Development Advancement Fund Refunds – Section 7.015

Book 1, Page 48

Description: The Economic Development Advancement Fund (EDAF) was created per 620.1900, RSMo, in order to receive fees from the recipients of certain tax credits issued by the department, in an amount up to 2.5% of the amount of the issued tax credit. Upon issuance of the tax credits, the fees are paid by the recipient. This core item provides the Department of Economic Development the ability to refund an overpayment or erroneous payment of any amount credited to the EDAF.

In 2018, SB 590 authorized a 4% fee of the amount of tax credits issued under the Historic Preservation Tax Credit program. The fee will first be applied in FY 2020 projects.

The Creating Helpful Incentives to Produce Semiconductors and Science Act of 2022 (CHIPS Act), signed into law on August 9, 2022, is designed to boost U.S. competitiveness, innovation, and national security. With more than \$50 billion dollars, the law aims to catalyze investments in domestic semiconductor manufacturing capacity. This New Decision Item does not seek new funding. This NDI is a continuation of the FY2025 one-time state investment to expand and strengthen the semiconductor ecosystem in Missouri. In order for applicants to receive federal CHIPS funding, a state incentive is required. This request extends the General Assembly's one-time FY2025 CHIPS appropriation that will lapse because of delayed federal awards.														
In FY2024, the state program awarded \$10M to three Missouri companies, contingent upon receipt of a federal CHIPS award. In July 2024, the US Department of Commerce announced a preliminary CHIPS award to one of Missouri's awardees (\$400 million combined Missouri/Texas award). The second and third state awardees submitted successful initial applications and were invited to submit full applications. Both companies submitted full applications in July 2024. If the applications move forward, the awardees will enter into a period of negotiations before a federal award is made. To ensure success in the federal CHIPS process, the state incentive must remain available.														
Because the state incentive will be distributed to awardees on a reimbursement basis, and due to the extended federal timeline for awards, this NDI extends the General Assembly's one-time FY2025 appropriation and is necessary to allow for distribution of funds through June 2026.

Small Business Credit Initiative (ARPA) - Section 7.050

Book 1, Page 97

Description: The State Small Business Credit Initiative (SSBCI) Act of 2010 appropriated funds to be disbursed by the U.S. Department of Treasury to states that have created programs to increase the amount of private capital made available to small businesses and to cover reasonable administrative expenses. The State of Missouri was approved to receive an allocation of \$26.9 million through the Department of Economic Development, which will implement the program to assist Missouri small businesses in accessing credit and venture capital to create jobs for Missourians. Missouri’s approved plan dedicates \$20.9 million to establish the high-tech Missouri Innovation, Development and Entrepreneurial Advancement (IDEA) seed and venture capital funds and \$6 million to the Grow Missouri Loan Participation Fund. The federal State Small Business Credit Initiative Act of 2010 ended in FY 2018. Funding was removed in FY 2021.

DEPARTMENT OF ECONOMIC DEVELOPMENT
Main Street Program TRANSFER – Section 7.065

Book 1, Page 126

Description: One-time funding added during FY25. This New Decision Item was needed to switch the fund source for the Main Street program from the Economic Development Advancement Fund (EDAF) to General Revenue (GR), which requires a GR transfer into the Missouri Main Street Fund. The Main Street Program was originally funded by a GR transfer into the Missouri Main Street Program Fund per § 251.485, RSMo, and was switched to EDAF with the FY2014 budget due to GR shortfalls. With an increase in the amount of appropriations, EDAF can no longer support the number of assigned appropriations. DED will focus the appropriations from EDAF back to the main purpose of supporting DED’s marketing efforts under § 620.1900.5, RSMo.

Tax Increment Financing - Section 7.080

Book1, Page 143

Tax increment financing captures state economic activity, taxes generated as a result of planned redevelopment activities within a prescribed area and approved by the director or the Department of Economic Development and the Commissioner of the office of Administration. The net new taxes generated are captured in accordance with the law for approved projects and used to pay the debt service on bonds issued for eligible redevelopment costs. Those costs include public infrastructure necessary to generate reuse of the properties. The amount of the subsidy may be up to 50% of state withholding taxes or 50% of state general sales taxes. **Current TIF Obligations Include:**

- Kansas City Midtown:** infrastructure improvements and retail development at Mill Street;
- St. Louis Convention Hotel:** construction of a 1,083 room convention headquarters hotel complex;
- Riverside L-385 Levee:** infrastructure and levee improvements at 1600 acre site, city of Riverside;
- Springfield Jordan Valley Park:** redevelopment of exposition center in downtown Springfield;
- Kansas City Pershing Road:** renovation of old post office building and other developments on south side of Pershing Road;
- Branson Landing:** redevelopment of 208 acre riverfront area in downtown Branson;
- Kansas City 1200 Main:** new development for H&R Block Corporation headquarters;
- Independence (Santa Fe):** infrastructure redevelopment to support commercial development and housing;
- Independence Crackerneck Creek (Bass Pro Shops) Development:** construction of Bass Pro Outdoor World Store, lodging and complementary retail and dining establishment in a 400 acre undeveloped parcel south of I-70 and west of I-435
- Kansas City East Village.** J.E. Dunn Headquarters, infrastructure improvement and mixed use development in east end of downtown Kansas City
- St. Louis Lambert Airport Eastern Perimeter Redevelopment:** redevelopment of 500 acres of land just east of Lambert Airport for light industrial, warehouse, office and some residential;
- Bannister Retail/Three Trails Office:** Development of retail, dining and hospitality on the site of the old Bannister Mall to compliment an adjoining technology/business park;
- St. Louis Innovation District:** redevelopment of a blighted and aging industrial zone into a live-work-play technology district
- National Geospatial Agency West:** redevelopment of land for use by a government agency
- Fenton Logistics Park:** redevelopment of the former Fenton Chrysler assembly plant into a mixed-use site
- IDEA Commons:** redevelopment project in Springfield, application expected in FY20

Community Service Commission –ARPA - Section 7.090

Book 1, Page 176

Description: The Community Service Commission (MCSC) was established to promote volunteerism in the state, with a special focus on youth. The program provides opportunities for individuals to serve their communities as full-time or less than full-time AmeriCorps volunteers. AmeriCorps is a national service network and is supported by the Corporation for National and Community Service (CNCS), a federal agency. MCSC receives funding from CNCS to administer the AmeriCorps program in Missouri. The program provides communities and neighborhoods with the human resources necessary to address their most pressing civic needs and gives individuals a way to serve their country by completing community service projects.

Downtown Revitalization Preservation (DRPP) – Section 7.100

Book 1, Page 165

Description: This program allows a portion of the new state and local taxes created by a redevelopment project to be diverted to fund eligible public infrastructure projects, along with related costs for a period of 25 years. The purpose of the program is to facilitate the redevelopment of downtown areas and the creation of jobs by providing essential public infrastructure. An appropriation is needed to be able to capture the net new taxes generated because of the redevelopment project and be diverted to pay the debt service on bonds issued to fund the project.

Current Obligations

College Station/Heer’s Tower: located in downtown core of Springfield; consists of mixed use retail, office space and parking needs;

Hannibal/Clemens Project: renovation of Historic Samuel Clemens Field in Hannibal to host a summer collegiate team and other sporting events.

Legal Base: Sections 99.1080 - 99.1092 RSMo

Missouri Community Service Commission (MCSC) - Section 7.105

Book 1, Page 170

Description: The Community Service Commission (MCSC) was established to promote volunteerism in the state, with a special focus on youth. The program provides opportunities for individuals to serve their communities as full-time or less than full-time AmeriCorps volunteers. AmeriCorps is a national service network and is supported by the Corporation for National and Community Service (CNCS), a federal agency. MCSC receives funding from CNCS to administer the AmeriCorps program in Missouri. The program provides communities and neighborhoods with the human resources necessary to address their most pressing civic needs and gives individuals a way to serve their country by completing community service projects.

The Department of Economic Development is requesting \$6 million in on-going funding for the Upskill Credential Training Fund that was created in RSMo Section 620.2500. For FY2025, \$3 million was appropriated as one-time funding. The Upskill Credential Training Fund provides resources to reimburse qualifying employers for eligible training costs associated with their employees successfully obtaining an approved upskill credential that demonstrates the competencies necessary to be successful in a particular occupation. Sunset date for this program is August 28, 2029. This request seeks the maximum appropriation of \$6 million.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

National Security Crossroads-7.130

Book 2, Page 262

Description: To allow DED to serve as a fiscal agent for the Office of Local Defense Community Cooperation (OLDCC) grant in support of the National Security Crossroads (NSC). The NSC is a regional branding effort across Missouri and Kansas that seeks to brand the two-state region as a national security strength and home for new national security missions, education federal legislators on the value of the Crossroads, and share best practices to enable members of the Crossroads to be agile and resilient. The grant will be used to achieve the following objectives: (1) retain and expand existing federal national security missions, (2) improve workforce attraction/retention and drive economic growth, (3) increase regional federal agency interaction to speed problem solving and save federal budget dollars, (4) improve veteran hiring by 1%, and (5) attract a new federal mission.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

Military Reinvestment Grants - 7.145

Book 2, Page 267

Description: Funds for the Missouri Military Community Reinvestment Grant Program per CB 573 (2018). To assist military communities in supporting and sustaining their installations, to encourage communities to initiate coordinated response programs and action plans in advance of federal government base re-alignment and closure decisions, and to support community efforts to attract new or expended military missions.
The matching grant funds are administered to help non-profit organizations and local governments by ensuring that they have the capacity and expertise that enables them to implement strategies to retain and grow military and defense investments and jobs.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.

Kansas City, Missouri will be hosting the FIFA World Cup in 2026. Kansas City is the only midwestern World Cup host city, and Missouri will see an estimated \$500M in economic impact. The Missouri Division of Tourism (MDT) is requesting increased funding to be used solely for marketing and sponsorship support for KC2026 events designed to enhance a visitor's trip to Missouri as part of the World Cup experience. Along with hosting matches, Kansas City will serve as the Fan Fest activation site, which is set to be located on the grounds of the National World War I Museum at Liberty Memorial and is expected to see hundreds of thousands of attendees. Kansas City is hosting six World Cup matches, including a Quarterfinal match, and there are 26 days from the first match and the last match at Arrowhead Stadium. It is expected that Fan Fest will be open for most – if not all – of those days.

The FY 2026 budget includes appropriation authority for a time of service adjustment plan for full-time state employees. This would provide a 1% salary increase for every two years of continuous state service and would cap out at 10% for 20 years of service. This excludes job classes with statutorily-set salaries, the Departments of Transportation and Conservation, and certain job classes within the Missouri State Highway Patrol, who have existing time of service pay structures. State employees working in 24/7 facilities that already have this time of service pay plan will get a one percent cost of living adjustment.
